in the course of every human life moments come often so quietly as to be almost unrecognized that are so subtle and unobtrusive they pass without one being fully aware of them these moments are like the gentle tones of birds singing in their sleep the faint sound of a bell ringing far away or the gentle touch of an invisible hand nevertheless all these moments perceived or unperceived are manifestations of destiny in each human life the evidence of things not seen they express the secret language of the heart and invite one to begin a journey they involve taking important steps on a life path which one senses instinctively will ultimately lead to the light of one's own higher self and into the world of spiritual reality the land where the real foundations of life purposes are to be found thus one sets out on a path that can lead to the unfolding of the unique mystery of each individual life story such is the substance of the journey described in these pages paul marshall allen paul allen was born into a quaker family on june 26 1913 in the small upstate new york village of conquest the life that followed was as varied outwardly as it was deeply committed inwardly to following a path of knowledge he was a teacher actor writer and publisher each role connecting him with the world as a rosicrucian soul for paul the most important event of destiny occurred when he encountered rudolf steiner's spiritual science through the actor michael chekhov leading paul to dedicate his life to anthroposophy as a path of inner knowledge and activity in the world in a rosicrucian soul russell pooler takes the reader on a journey through the life of a man who profoundly affected everyone he encountered during the early days of anthroposophy in north america paul delved deeply into rudolf steiner's works and became the first american born anthroposophic lecturer traveling
